

NEIGHBORHOOD CLEANUP PROGRAM

GUIDELINES FOR ROLL-OFF CONTAINERS/TRUCKS

Materials that cannot be put into the container/truck include:

Anti-freeze	Chemicals	Tires
Appliance with Freon	Fire Extinguishers	Used Oil
Asphalt	Fluorescent Bulbs	Concrete
Auto Fluids	Freon Refrigerant	
Auto Parts	Hazardous Waste	Liquids
Electronics	Oil Based Paint	Explosives
Closed Containers	Items Containing Mercury	Pesticides
Compressed Gas	Lead Acid Batteries	Herbicides
Radioactive Materials	Special Waste	Fertilizers

*** Latex paint cans need to be dried out before placing in the container. We cannot accept paint in a liquid form because it may leak out onto the ground or street.

Cleanups are from 8:00am to 12:00 (noon). Containers will be delivered by 8:00 am and picked up between 12:00 noon and 2:00 pm on the same day.

Do Not Overfill the container. Debris must not hang over the sides or stick up higher than the sides of the container, and the door must be able to close (please see photo below).

The neighborhood is responsible for the container. If it is overfilled, the neighborhood will be responsible for leveling off the container prior to pickup. If unacceptable items are placed in the container, the neighborhood is responsible for removal and disposal of the item(s).

No Rain Date for Containers/trucks. We will not be able to pick up containers and deliver them on another day if it is raining. If there is thunder and lightning, **DO NOT**, under any circumstances, try to do your cleanup.

WHAT NOT TO DO:

EXAMPLE OF A CONTAINER THAT IS TOO FULL TO HAUL AWAY

ACCEPTABLE CONTAINER NOTHING STICKING UP HIGHER THAN THE SIDES OF THE CONTAINER
