BACK TO SCHOOL BASH
SEPTEMBER 25TH
4 PM – 6 PM

GeorgetownPlan.com

Look out for the next **plan update** to view engagement results and to learn what your neighbors are saying about Georgetown.

WHAT IS A NEIGHBORHOOD PLAN? HOW CAN I GET INVOLVED?

The **Georgetown Neighborhood Plan** is a community-driven planning process taking place from January 2026 to September 2027. It began with forming the Planning Committee, a group of local leaders who provide steering direction throughout the entire project. The plan also includes research into the area's history, demographics, economy, housing, and more, and extensive public engagement and neighborhood input. The plan is also a document that will guide future growth and investment for the Georgetown area.

The Georgetown area has never had a neighborhood plan. Neighborhood plans help neighborhoods, businesses, organizations, and City staff to collaborate on projects with a shared vision in mind.

THERE ARE FOUR WAYS TO GET INVOLVED:

- 1. Take the input survey and map your ideas at GeorgetownPlan.com**
(or scan the QR code on the opposite page).
- 2. Attend an engagement event.**
Events are happening throughout Georgetown this summer and fall.
- 3. Sign up for updates.**
Hit the "Follow" button at GeorgetownPlan.com to get email updates.
- 4. Share the project with your family members and neighbors.**
We want everyone to be a part of the process!
